

Terrell Independent School District

Executive Summary Report

Date	District Objective	
May 18, 2026	Goal 3: Human Capital and Resources: Develop the capacity of every teacher and staff member to deliver rigorous, enriching learning experiences to every student and ensure safety of all.	

Agenda Item: Consider Approval of Purchase of Computer Hardware

Summary:

We are asking the Board to approve the purchase of iPads, Chromebooks and laptops through CDW-G and Apple Store in an amount not to exceed \$452,636.50. Terrell ISD practices a 6 year life cycle for these types of technology devices. This refresh is for devices that are provided for classroom student use and staff use by the District.

Technology would like to purchase the following:

- a. CDW-G, 600 student Chromebook with protective cases and 4 year warranty extension - \$289,500
- b. CDW-G, 120 staff Chromebook Plus with protective cases and 4 year warranty extension - \$102,120
- c. Apple Store, iPads with protective cases and 3 year AppleCare+ for schools - \$48,954,
- d. CDW-G, 25 Terrell ISD Virtual Academy student Chromebook with protective cases and 4 year warranty extension - \$12,062.50

Apple and CDW-G are established vendors for the District and meet all procurement standards and regulations. The district will utilize the following cooperative contracts:

Apple: Choice Partners 23/036SG-01
 CDW-G: TIPS 230105
