

Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: June 22, 2026

Agenda Item#: _____

Topic: Approval of over \$50,000 Vendor – 2025-26 TVAH
Federal Grant Services - K12 Stride

Background and Rationale:

The 2024-25 fiscal year was the first year for the TVAH campus to qualify as a Title I campus and be eligible for ESSA federal grant funding, and that eligibility has continued for 2025-26 and now also includes IDEA-B special education services. As a result of that designation, HISD sought and received TEA approval to pay for these related services to K12 Stride from federal grant funds. We have received documentation of Title I related personnel and grant eligible purchases for the months for March and April 2026, including a testing adjustment credit for October 2025, from K12 Stride, and those expenses from each grant are summarized below:

- Title I personnel and eligible licenses (Oct 2025 credit, March-April 2026) = \$471,301.05

2025-26 federal grant funds have been allocated and approved by TEA for these purchases and will be funded from those grants, upon Board approval.
