

Governing Board Agenda Item

Meeting Date: June 11, 2026

From: Susan Rose, Director of Procurement

Subject: SY 26/27 Annual Contract Renewals

Priority: To plan for future needs in a proactive, accountable manner

Consent Action Discussion

Background:

Each school year, Marana Unified School District issues multiple formal contracting solicitations in the form of Invitation for Bids and Requests for Proposals for goods and services needed in the District. Typically, these solicitations are written to allow for five-years of use which includes a first year and up to four additional years. The actual start and end date of the contract award may or may not coincide with the school year. These solicitations are done in accordance with School District Procurement Rules in the Arizona Administrative Code (A.A.C.) Title7, Article 10.

The attached, Exhibit A, identifies contracts and corresponding vendor(s) that are recommended for renewal for the SY 26/27. This list has been reviewed and the contractors have been contacted or are in the process of being contacted to confirm the intent to renew. Due to increased costs associated with commodities and raw materials, many vendors have requested price increases. Procurement requires detailed justification prior to approving any such price increases.

All contract renewals are contingent upon both the vendor acceptance and the District’s determination to continue utilizing the contract. Renewal is not guaranteed and is subject to the issue of an approved purchase order for any orders to be completed in the new fiscal year.

This list does not include the numerous cooperative purchase contracts (in excess of 150) utilized by the District through cooperative agencies such as State of Arizona, Mohave Purchasing Cooperative, or other approved cooperatives. The Governing Board has authorized the use of cooperative purchasing contracts through approved memberships. Per School Board Procurement Rules, the Procurement Department writes Written Determinations on why (e.g., price, availability, terms of delivery, etc.) the individual cooperative contract is being selected and no other quotes are required.

Prior to executing any renewal, procurement reviews vendor performance, pricing, and other relevant factors to ensure the continued effective use of resources.

Recommended Motion:

I move that the Governing Board approve the SY 26/27 annual contract renewals.

Approved for transmittal to the Governing Board: 
Dr. Daniel Streeter, Superintendent

*Questions should be directed to: Thomas Bogart, Chief Financial Officer
Phone: (520) 682-4749*

SY26/27 ANNUAL CONTRACT RENEWALS
