2. The individual's score on each assessment instrument on which the individual has failed to perform satisfactorily;
3. The individual's performance on any projects or work samples in the subject areas applicable to the assessments on which the individual has not performed satisfactorily (including any projects or work samples identified and assigned by the local graduation committee to be completed by the individual);
4. The individual's participation in offered remediation;
5. The individual's school attendance rate;
6. The individual's transcript of coursework;
7. The individual's completion of career and technical education (CTE) program courses;
or
8. Any other academic, work, or life experience determined to be relevant by the local graduation committee.

BE IT FURTHER RESOLVED that an individual may graduate under the local alternative requirements if the District has made its determination that the individual has met the requirements.
