

BOARD REPORT

TECHNOLOGY

July 2026

I am continuing to work on putting classrooms back together.

I am doing updates and scans on teacher computers getting them ready for next year. Computers are being replaced as needed.

I am updating Cisco switches and making them managed to help detect storms and loops. Also, I am creating VLANs for Wi-Fi and continuing to map ports.

I am adding new battery backups in areas that are needed.

I am adding new chrome books at Bluffview where needed.

I am going through the phone list and server login list to delete the employees that are no longer here and adding the new ones.

I am continuing Cyber security assessments.

I am finishing this year's E-Rate funding
