Re: Homeschool Requests

Dear Provo City Board of Education

In compliance with Utah State Law 53G-6-204, each Home School request for release from compulsory attendance must be approved by the School Board. Please see the attached report of homeschool requests. Each applicant has signed an agreement that they understand the time requirements of the Utah State Board of Education.

It is my recommendation that the Board releases all 15 students on the list to home school and shall annually issue a certificate stating that the school age minor is excused from attendance for the specified school year.

Respectfully,
