To: Andrea Oquist, Superintendent
From: Theresa O'Brien, Chief Academic Officer
Subject: Additional Purchase of US and World History Textbooks

I would like to request to be placed on the Curriculum Committee agenda for the July 15, 2024 Board of Education Organizational Board Meeting with a recommendation to purchase additional World and US History Textbooks from TCI for \$15,487.00 for our Global Ed program. This purchase would include one additional set of US and World History textbooks bundled with digital licenses and 80 additional 6-year Student Licenses. The physical teacher guides, reproducible and 6 years of Teacher digital licenses will be provided at no cost to the district.

Thank you for your consideration of this request.
