Re: Resignation

Thursday, April 29, 2021

I received a letter of resignation from Mrs. Amy Thompson, who currently serves as the HS Counseling Secretary. She recently accepted a position outside of the education field starting once her contracted hours are complete. I recommend that HLWW School Board accept her resignation effective at the completion of her 20-21 contracted hours which would be approximately on June 18th, 2021.

Thank you,
