Re: Approval of United Rentals for Articulating Boom Lift

As we continue to identify potential equipment improvements within the CISD Maintenance Department, Mr. Lopez is requesting the consideration and approval of an Articulating Boom Lift for his department. This boom lift will provide a productive work environment for our employees without renting this type of equipment.

The proposal from United Rentals was procured in accordance with Texas Education Code §44.031 through the district's membership with the Choice Partners Cooperative. We will be paying for these upgrades out of remaining funds from the 2016 bond proceeds.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve the proposal from United Rentals for the purchase of articulating boom lift for a total cost not to exceed \$84,000.
