April 2026

Uvalde CISD and SFE, work together to provide our future leaders the nutritional fuel to be ready to learn and reach their highest potential. Thank You to the entire Uvalde CISD Team, as we work to feed the students we love!

Uvalde CISD believes that ALL STUDENTS deserve, fresh and delicious meal options to enjoy.

April was a month of planning, preparing, and getting ready for Summer Feeding!

The team focused on what they do so amazingly each and every day!

We recently implemented a new inventory management system for all of our campus cafeteria managers. This system should streamline the EOM and Food ordering processes and make things much easier and more accurate for everyone. The team has been very receptive of this transition.

In the 24/25 SY, we served 68,863 total meals to our kiddos. The bulk of this landed in our Non-Congregate services. This year our Summer Feeding will tentatively follow this schedule.

Our goal going into this summer is to try to have a greater outreach than what we did the year prior.
