4200 Employee Conduct and Ethics

4201 Employee Ethics and Standards

Employees must act professionally and model high standards of behavior at all times. Employees shall perform their respective duties and responsibilities in a professional manner, using appropriate judgment. Employees must maintain a standard of behavior that reflects positively on their status as District representatives in the community and is consistent with the Michigan Code of Educational Ethics, which is incorporated herein by reference. See:

https://www.michigan.gov/documents/mde/Code_of_Ethics_653130_7.pdf

If an employee is uncertain as to a potential course of conduct, the employee should seek advice from a supervisor before proceeding.

A. Employee Ethical Conduct

Employees must exercise objectively sound and professional judgment when engaging with students, Parents, colleagues, administrators, Board members, and community members. This standard extends to employee conduct on and off school property. Ethical behavior generally includes, but is not limited to:

1. supporting the physical and emotional welfare and safety of students, Parents, colleagues, administrators, Board members, and community members;
2. complying with federal and state law;

6. immediately reporting suspected child abuse or neglect;
7. immediately reporting reasonable cause to believe or suspect abuse, neglect, or exploitation of a vulnerable adult;
8. maintaining confidential information, including student, medical, personnel, financial, and security information, as protected by statute;
9. appropriately using District funds, resources, and technology;
10. maintaining consistent and reliable work attendance, unless excused by the employee's supervisor or the Superintendent or designee, as applicable;

11. engaging in activities or behaviors that enhance the operational and instructional environment;
12. professionally communicating with students, Parents, colleagues, Board members, and community members, including through electronic means;
13. completing time and effort reporting under 4201-AG;
14. abiding by professional, ethical, and licensing standards established by relevant governmental agencies, professional licensing boards, and professional associations, including the Michigan State Board of Education; and
15. self-reporting a criminal charge and plea or conviction, as required by law.

B. Conflict of Interest

Employees shall perform their duties and responsibilities free from a prohibited conflict of interest, unless authorized by the Board or designee. Prohibited conflicts of interest include, but are not limited to:

1. soliciting or accepting anything of value (such as a gift, loan, contribution, or reward), other than compensation received from the District in exchange for services provided to the District, that would influence the employee's judgment when performing the employee's duties;
2. using public funds to purchase alcoholic beverages, jewelry, gifts, fees for golf, or any item the purchase or possession of which is illegal, except as consistent with and permitted by Policy 3205 and Revised School Code Section 1814;
3. using or authorizing the use of the employee's public employment or any confidential information received through public employment to obtain personal, professional, political, or financial gain other than compensation received from the District in exchange for services provided to the District for the employee or a member of the employee's immediate family, or a business with which the employee is associated;
4. using or authorizing the use of District personnel, resources, property, or funds under the employee's care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures, or using those items for personal, professional, political, or financial gain;
5. providing private services, lessons, tutoring, or coaching for students assigned to the employee for additional remuneration, except as permitted by Policy 4214;

9. engaging in any other activity that promotes an employee's financial and pecuniary interests over those of the District.

C. Student Fraternization

Employees must establish and maintain professional boundaries with students, including while using personal or District technology. Employees are prohibited from direct or indirect interactions with students that do not reasonably relate to an educational purpose. Employees will behave at all times in a manner supportive of the best interests of students and the District.

Conduct identified below constitutes unprofessional conduct, subjecting the employee to discipline, including discharge, absent express Board or designee authorization. The following list illustrates prohibited behavior involving students but does not describe every kind of prohibited behavior:

1. communicating about alcohol use, drug use, or sexual activity when the discussion is not appropriately related to a specific aspect of the curriculum or the employee's duties;
2. providing drugs, alcohol, tobacco, e-cigarettes, or other items students cannot possess under the District's Student Code of Conduct;

 14. giving a student a ride in the employee's vehicle without appropriate authorization;
 15. taking a student on an activity outside of school without first obtaining the express permission of the student's Parent and a District administrator;
