D. Summary:

Election Code law calls for each local canvassing authority to convene to conduct the canvass of election returns. After the completion of the canvass, the presiding officer of the canvassing authority shall prepare a certificate of election for each candidate who is elected to an office for which the official result is determined by that authority's canvass.

E. Suggested Motion

I move that the Hays CISD Board of Trustees accept the prepared tabulation showing the total number of early voting and election day votes received in each precinct, the sum of the precinct totals, and the total number of voters who cast a ballot for each candidate. I further direct the secretary to note in the minutes of this meeting that the board has completed the canvassing of the May 2, 2026 trustee election results for Hays CISD Single-Member District 1, Single-Member District 2, and Trustee At-Large, and to enter the tabulation directly into the local election register maintained by the district.
