

## **Box Elder School District Request for Tarkett Sports Contract Approval**

**Recommendation:** It is recommended that the Board of Education approve the Tarkett Sports Contract. This contract is to renovate the BRHS baseball field.

**Background:** BRHS received a generous community donation of \$500,000 for the purposes of renovating the BRHS baseball field. The Board of Education approved this donation consistent with Board policy.

Tarkett Sports is a vendor that holds a statewide cooperative contract to install turf fields. This statewide cooperative contract has already been through a competitive procurement process with the Utah Division of Procurement.

At the time of the donation, it was anticipated that the donation would cover the complete cost of the renovation. The current bid from Tarkett Sports is excess of the donation amount, but the Donor has offered to cover the increased cost with another donation to the foundation. There will be no District funds used to renovate the baseball field.

**Policy Implications:** None

**Financial Implications:** None. The Donor will provide all funds needed to complete the renovation of the baseball field.

**Staff Implications:** None at this time.
