### What's Happening At BHS:

- Last day to change classes for students is September 6, 2024
- Classes are going great, focusing on Building Relationships, Routines and Procedures, accessing Google Classrooms and sharing syllabus.

- We met with counselors and we are working on looking at our electives and have come up with solutions with some core teachers to be able to offer other electives, which will help decrease class sizes in elective classes.
- We are still searching for Business and Welding teachers to help even out our elective classes caseloads.
- Still getting some i-tutor needs met- Instructional Coaches have helped a lot in supporting i-tutors and the TA's in the classroom.
- Continuing to work with BHA and the referral process- we are trying to ensure students that were referred and ensuring they have made it to school. If not, we are trying to follow up with parents/guardians and students to ensure they are still wanting to go to BHA.
- Jimi Champ will be working on MT-PECH Traditional Berry Project- Grant with BNAS- The high school is helping get the project implemented in the district. Jimi has a class of 18 students during her 7th period that will help in this implementation.
- Montana Digital Academy (MTDA) has 24 students who are getting enrolled in courses. These are courses that we aren't offering and students are interested in taking.

Upcoming dates for September:

- September 17- Spring Honor Roll Assembly @ 9:45 a.m. in HS Gym
- September 18- High School Open House 4-5 p.m.
- September 23-27th- Blackfeet Heritage Week
- September 30- Start of Homecoming Week- October 4th
- October 4th- Homecoming Parade TBA
