GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of bid for Athletic/PE Supplies & Equipment.

RATIONALE:

State law requires an approved method for acquisition of goods or services totaling over \$50,000.00 for a 12-month period. Estimated expenditures exceed that amount.

This bid is for all the different sports that HISD offers to students. The more vendors available for use, the better coaches can meet the needs of their individual sports. Coaches will be able to “shop around” for the best value to the district.

Bid packets were posted on HISD’s website and responses were received from twenty-four (24) vendors.

A list of the bid responders is enclosed.

RECOMMENDATION:

The administration recommends that this bid be awarded to all vendors that returned a packet as merchandise offered is so varied.
