Re: Snow Removal Recommendation 2023

I would like to recommend Andy's Lawn Care (HS/MS) and Blizzard Wizard (H.E.S and W.E.S) for the 2023 snow removal season for HLWW School District. These two companies are our current vendors and have provided snow removal services for us for this past winter season. They continue to do a very good job keeping our facilities cleared and safe for use. They are locally based companies and support the district with a low-cost alternative for snow removal.

Thank you for your consideration of this request.
