Greetings from HHS!

This past month seemed to fly by. There always seems to be a lot of events and activities going on this time of year and then when you add the Holidays in, it becomes a blur at times. The Harvest Auction was a great success once again and the Drama performances were very well attended this past month. We had a special tribute to Veterans with our visit from the Idaho Army National Guard in which one of our very own Nick Ryska was on the helicopter that came to campus. We also had our PBIS Safe Assembly with our Distracted Driving presentation by the Sauer family in which our own Josh Sauer helped present his family's impactful story with our student body.

This month's PBIS theme is "Positive Attitude". What a great reminder for all of us as we head into the final stretch of the first semester!

"A positive attitude causes a chain reaction of positive thoughts, events and outcomes. It is a catalyst and it sparks extraordinary results." -Wade Boggs

As always we are truly blessed to be here and to be a part of HHS!
