

TRANSPORTATION BOARD REPORT FOR APRIL 2017

SUBMITTED BY: WAYNE HALL

This month we are getting ready for our school board meeting here at the transportation.

We are still experiencing a shortage of bus drivers. We still have 5 routes that need to be filled.

The mechanics been keeping busy working on the buses, doing service maintenance on the district vehicles and repairing seats in the buses.

The bus driver's been washing buses and district vehicles. They fuel some of the buses and vehicles. Some of the driver's help in the shop area and office areas. They help with other duties.

We are glad to be getting our charter 222 back, they had to recharge the AC system and fixed the AC hose. Also the activity bus 2221 should be fixed next they are looking at the computer and DEF system.

We have bus 201 in Kalispell getting the rear end rebuilt which is still under warranty.

Napi counselor Jack has let us know he would like to get a bus evacuation set up with Napi students in May.

Lisa is our discipline person at Transportation she does all the viewing of the videos from the buses when there is an incident she is the one to get ahold of if you have any questions.

We had 38 Activity trips for the month of April. This concludes our report for the month of April.
