SECURITY FOR THE BONDS

Section 2.01. Tax Levy. (a) Pursuant to the authority granted by the Constitution and laws of the State, there is hereby levied for the current year and for each succeeding year hereafter while any of the Bonds or any interest thereon is outstanding and unpaid, an ad valorem tax on each one hundred dollars valuation of taxable property within the District, at a rate sufficient, without limit as to rate or amount, to pay Debt Service when due and payable, full allowance being made for delinquencies and costs of collection.

(b) The ad valorem tax thus levied shall be assessed and collected each year against all property appearing on the tax rolls of the District most recently approved in accordance with law and the money thus collected shall be deposited as collected to the Interest and Sinking Fund.

(c) Said ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund are hereby pledged and committed irrevocably to the payment of Debt Service when due and as payable in accordance with the terms of the Bonds and this Order.

(d) Any money received by the District with respect to the Bonds as state assistance pursuant to the instructional allotment or as state assistance with existing debt, each as authorized by Chapter 46, Texas Education Code, shall be deposited in the interest and sinking fund as required by Sections 46.009 and 46.035, Texas Education Code, respectively. The District will take into account the balance in the Interest and Sinking Fund when it sets its debt service tax rate each year.

(e) To the extent the District has available funds which may be lawfully used to pay Debt Service and such funds are on deposit in the Interest and Sinking Fund in advance of the time when the Board is scheduled to set a tax rate for any year, then such tax rate which otherwise would be required to be established pursuant to subsection (a) of this Section may be reduced to the extent and by the amount of such funds then on deposit in the Interest and Sinking Fund.

(f) If the lien and provisions of this Order shall be released in a manner permitted by Article XII hereof, then the collection of such ad valorem tax may be suspended or appropriately reduced, as the facts may permit, and further deposits to the Interest and Sinking Fund may be suspended or appropriately reduced, as the facts may permit. In determining the aggregate principal amount of outstanding Bonds, there shall be subtracted the amount of any Bonds that have been duly called for redemption and for which money has been deposited with the Paying Agent/Registrar for such redemption.

Section 2.02. Application of Chapter 1208, Government Code. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the District under Section 2.01, and such pledge thereto is valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the District under Section 2.01 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the registered owners of the Bonds the perfection of a security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the District harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.09. Book-Entry Only System. (a) To the extent so designated in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a single fully registered Bond and for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, of any amount with respect to Debt Service. Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on such Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying

Agent/Registrar shall pay all Debt Service only to or upon the order of the respective Owners, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of, Debt Service to the extent of the sum or sums so paid. No person other than an Owner, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

Section 3.10. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the District or the Paying Agent/ Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, as applicable, in accordance with the provisions of this Order.

Section 3.11. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments of Debt Service on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01. Limitation on Redemption. The Bonds shall be subject to redemption before Stated Maturity only as provided in this Article IV and in the Pricing Certificate.

Section 4.02. Optional Redemption. The Bonds shall be subject to redemption at the option of the District at such times, in such amounts, in such manner and at such redemption prices as may be designated and provided for in the Pricing Certificate.

Section 4.03. Mandatory Sinking Fund Redemption. (a) The Bonds designated as "Term Bonds" in the Pricing Certificate ("Term Bonds"), if any, are subject to scheduled mandatory

redemption and will be redeemed by the District, in part, at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the interest and sinking fund, on the dates and in the respective principal amounts as set forth in the Pricing Certificate.

(b) Prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select on a pro rata basis in accordance with the operational arrangements of DTC, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption. (a) If less than all of the Bonds are to be redeemed pursuant to Section 4.02, the District shall determine the maturities and the principal amount thereof to be redeemed and shall direct the Paying Agent/Registrar to select, on a pro rata basis in accordance with the operational arrangements of DTC, and call such Bonds for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Order, shall authenticate and deliver exchange Bonds in an aggregate principal amount equal to the unredeemed principal amount of the Bond so surrendered, such exchange being without charge.

Section 4.05. Notice of Redemption to Owners. (a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown in the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The District reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized

securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the District retains the right to rescind such notice at any time prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the District to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption. (a) Before or on each redemption date, the District shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the District and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption. (a) Notice of redemption having been given as provided in Section 4.05 of this Order and subject, in the case of an optional redemption under Section 4.02, to any conditions or rights reserved by the District under Section 4.05, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the District defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the District shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

Section 4.08. Lapse of Payment. Money set aside for the redemption of the Bonds and remaining unclaimed by the Owners thereof shall be subject to the provisions of Section 3.03(f) hereof.

This Bond, dated _____⁵, is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$ _____⁶, (herein referred to as the “Bonds”), issued pursuant to a certain order of the District (the “Order”) (i) for the refunding of the Refunded Bonds and (ii) for paying for the costs of issuing the Bonds.

The Bonds and the interest thereon are payable from the proceeds of a direct and continuing ad valorem tax levied, without limit as to rate or amount, against all taxable property in the District sufficient, together with certain available funds of the District on deposit in the interest and sinking fund for the Bonds, to provide for the payment of the principal of and interest on the Bonds, as described and provided in the Order.

At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed and shall call such Term Bonds for redemption on such scheduled mandatory redemption date.

The principal amount of the Term Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof; and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to an optional redemption and not previously credited to a mandatory sinking fund redemption.

Not less than thirty (30) days prior to a redemption date for the Bonds, the District shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the Owners of the Bonds to be redeemed at the address of the Owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the District retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the

failure of the District to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the District in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bond or portion thereof shall cease to accrue.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and for the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that sufficient and proper provision for the levy and collection of taxes has been made, without limit as to rate or amount, which when collected shall be appropriated exclusively to the timely payment of the principal of and interest on the Bonds; and that the total indebtedness of the District, including the Bonds, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the District has caused this Bond to be duly executed under its official seal.

Section 10.03. Federal Tax Matters.

(a) General. The provisions of this Section 10.03 shall apply to all Bonds issued pursuant to this Order unless the Authorized Officer specifically determines in any Pricing Certificate that this Section 10.03 does not apply to such series of Bonds. The District covenants not to take any action or omit to take any action that, if taken or omitted would cause the interest on the Bonds to be includable in gross income, for federal income tax purposes. In furtherance

thereof, the District covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the District in connection with the Bonds.

(b) No Private Activity Bonds. The District covenants that it will use the proceeds of the Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the District will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to be “private activity bonds” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The District covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The District covenants not to take any action or omit to take action that, if taken or omitted, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(e) No Arbitrage Bonds. The District covenants that it will make such use of the proceeds of the Bonds (including investment income) and regulate the investment of such proceeds of the Bonds so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The District covenants that, if the District does not qualify for an exception to the requirements of section 148(f) of the Code, the District will comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Bonds, be rebated to the United States.

(j) Favorable Opinion of Co-Bond Counsel. Notwithstanding the foregoing, the District will not be required to comply with any of the federal tax covenants set forth above if the District has received an opinion of nationally recognized bond counsel that such noncompliance

will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(k) Continuing Compliance. Notwithstanding any other provision of this Order, the District's obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the excludability of interest on the Bonds from gross income for federal income tax purposes.
