

Board Meeting Date: 7/13/2026

Title: 2026-2027 Superintendent Goals

Type: Discussion

Presenter(s): Dr. Daniel Bittman, Superintendent

Description: The 2026-2027 Superintendent goals presented are the result of a collaborative process between the School Board and the Superintendent. Designed to operationalize the district's long-term vision, these goals are aligned to the priority areas and strategies established in the Edina Public Schools Strategic Plan. This collaborative framework ensures that leadership competencies, community engagement efforts, and fiscal planning are seamlessly aligned. By establishing clear and measurable action steps, this structure supports board governance, accountability, and a shared dedication to continuous district improvement.

Recommendation: Review the 2026-2027 Superintendent Goals.

Desired Outcomes from the Board: Review the 2026-2027 Superintendent Goals and bring forth any questions.
