SUBJECT: Recommendation for the High School Fieldhouse Lighting Project

We are recommending retrofitting the Metal Halite lighting fixtures in all three high school athletic fieldhouses to LED lighting. The school district sent a request for proposal for this project and the bids were due on June 9, 2016. The lowest responsible bidder was Shoreview Electric Company, Clinton Township, Michigan, for a total cost of \$396,000.00. Here is a list of the vendors that submitted a bid:

Allied Building Services	Detroit, Michigan	\$484,500.00
Douglas Electric Company	Wyandotte, Michigan	\$447,510.00
Great Lakes Home and Construction	Leonard, Michigan	\$397,839.99
Great Lakes Power and Lighting	Casco, Michigan	\$528,000.00
Metro Electric Engineering Tech	Romeo, Michigan	\$438,000.00
Shoreview Electric Company	Clinton Twp., Michigan	\$396,000.00

We estimate a five-six year pay back due to less maintenance cost, less wattage used and less over all energy for the demand charge.

The Sinking Fund will support this purchase. If you have any questions regarding this matter please contact me. Thank you.
