Re: Middle School Report

- With the exception of a few students who were absent MCA testing is near completion. We are eagerly waiting for those results.
- 5<sup>th</sup> grade orientation for our current 4<sup>th</sup> grade will take place on May 12<sup>th</sup> at HES and May 13<sup>th</sup> at WES. In addition to the video Ms. Kornovich and I will be going to the Elementary and visiting with the 4<sup>th</sup> grade classes.
- The band concert will be May 11<sup>th</sup> starting at 6:00 by grade levels.
- The choir concert will be May 20<sup>th</sup> at 6:30 by grade levels.
- We are currently working on modification to our field day to meet outdoor protocols and planning to have it on May 26<sup>th</sup>. 5/6 will be in the morning and 7/8 will be in the afternoon.
- Changes to the student handbook are on hold as the grading committee completes their work. Staffing determines the interventions we can provide and the schedule we can create. Our ability to provide the interventions determines our ability to make the changes to our grading practices which would need to be in our student handbook.
