B. District Goal:

3. Ensure Safe, Efficient, and Transparent District and Campus Operations

Summary: Texas school districts are political subdivisions of the State of Texas and are protected by sovereign immunity under the Texas Tort Claims Act for certain accidents that occur on school property. Student Accident Insurance provides supplemental coverage to help pay eligible medical expenses resulting from accidental injuries sustained during school-sponsored activities or while on campus. Coverage, benefits, and limits vary depending on the plan selected by the parent or guardian.

The policy is effective for the 2026–2027 school year, with coverage in force from August 1, 2026, through July 31, 2027.

The annual cost to the district is \$40,928 this amount was included in the district's 2026–2027 budget adopted by the Board of Trustees in June 2026.

Administrative Recommendation:

I move to approve the purchase of Student/Athletic Accident Insurance through the Brokerage Store for the 2026-27 School Year.
