

Report for June 2026

June has been a good month for us. Many of our programs (led by volunteers) that usually shut down for the summer have continued on through June this year. It's nice to have such a "demand" for programming and a desire on the part of our facilitators to make them happen. We couldn't do what we do without our volunteers.

Our 7th Annual Car Show was the best show yet! We had 85 cars and nearly 200 visitors. With 108 sponsors, we were able to raise over \$8,500 and give away over \$6,500 in prizes. The compliments were abundant and encouraged us to continue on for another year. June 12, 2027 promises to build on our traditions for another great show... *psst, save the date!*

By now you likely have heard that we need a new engine in the bus. The CASC Board has agreed to contribute \$7,000 toward this project and looks forward to having it back on the road. FYI, this bus (by distance of trips and number of riders) generates the majority of funding that we receive from MTA, approximately \$26,000 annually. I've researched whether the bus is worth the investment, and all indications are that we should get another 8 to 10 years without problem if we continue to have regular maintenance done and keep it stored in our barn when possible.

CASC has not been able to provide you with a financial report for the past several months due to a change in computers and then a new version of QuickBooks. Try as hard as they could, between VC3 and QuickBooks, they were not able to merge our data from the old 2010 version of QB to the latest online version. We are slowly rebuilding our database and hope to have formal reports available by the end of the summer. At our recent Board meeting a verbal report was given stating that the books have balanced each month up to this point and our current balances are:

Savings - \$10,315.46

Money Market - \$101,771.87

Checking - \$45,570.85

Upcoming Trips:

- Soaring Eagle Casino – July 8
- Wyandotte Street Fair – July 9
- Mystery Dinner – July 18
- Henry Ford Museum – July 30
- Bluebell Beach – August 1 (Moving Wall)
