FOIA REQUEST - Please send a reply upon receipt so that I know that this FOIA request has been received

Hello:

In accordance with the Freedom of Information Act of Illinois, I am requesting the following public records. This is a non-commercial request.

BACKGROUND: In order for a bond or tax increase proposition to be placed on the ballot, the school district needed to file the RESOLUTION approved by the board with the local election authority (for example, the county clerk). The filing appears to include several signed documents in addition to the signed RESOLUTION. I have attached as an example a local school district's resolution as found on its web site. The referendum was held last November.

REQUEST: This request is for a PDF file containing a copy of the actual filing as recorded with the local election authority placing the following referendum question on the ballot. The county clerk date stamp would provide the evidence of the date of the filing. Please include all pages actually filed with the clerk (~12). Also, if there is more than one filing due to overlapping with another county(s), please only remit the copy from the PRIMARY county clerk. (There is no need for duplicate responses from multiple county clerks!)

1. Election: 2006 Primary Election

If you have any questions regarding my request, please forward as soon as possible.

Thank you.
