

Cameron Elementary School  
Principal's School Board Report  
April 27, 2026

**March 24-April 17** - PK-3 Aimsweb Testing - I would like to thank our entire staff for the effort and time it took to complete the district and state assessments. This went off very smoothly, but it took a lot of work and organization. We completed our Spring district assessment for grades PK-3. Grade 4 will be testing soon.

**April 10** - Cameron Elementary hosted its Spring Fling concert for students in grades K-4. The students along with Mrs. Traicoff-Stratioti do a wonderful job with this program. I would like to thank the custodial and the office staff for setting up the gym seating and other props. We had another spectacular turnout from our Cameron Community.

**April 13-17** - Our 3rd and 4th grade students took the Wisconsin Forward State Assessment. I would like to thank our staff for working so hard to have a positive learning environment for our students. Mrs. Olson and Mr. Meznarich worked very hard to make sure this runs as smoothly as possible and to get our student make-up testing completed during our allotted time.

**April 22** - The 2nd grade students met with Cameron Community Bank to go over personal financing. I would like to thank our Community bank for supporting our students and schools.

**April 22** - Mrs. Olson and Mr. Martens attended a Behavioral Threat Assessment workshop hosted by the Office of School Safety. The workshop really focused on student threat assessment and steps to take to set up a team and a system.

**April 23** - Cameron Elementary conducted our annual tornado drill. With our students completing state and district assessments, we moved the drill to April 23.
