

Dunlap Community Unit School District 323
Board of Education Meeting
June 17, 2026

INFORMATION ITEM

TO: Members of the Board of Education
Dr. Scott Dearman, Superintendent

FROM: Dr. Matt Andrews, Assistant Superintendent
Mrs. Hannah Dutton, Curriculum Coordinator

SUBJECT: Math Program Evaluation Overview

BACKGROUND INFORMATION:

A program evaluation is a process used by a school district to determine whether a program, initiative, or service is achieving its intended goals and providing value to students. By reviewing data, feedback, outcomes, and costs, district leaders can identify strengths, address areas for improvement, and make informed decisions about future investments and support.

A brief overview of the Curriculum Department's Math Program Evaluation will be presented at the June Board of Education Meeting.
