

SOUTH SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

Agenda Item Summary

Meeting Date: July 20, 2026

Agenda Section: Consent

Agenda Item Title: Frontline ELL/LPAC eStar & IEP eStar v3 Management System

From/Presenters: Dr. Jennifer Gutierrez, Deputy Superintendent

Description: Frontline eStar is the district's comprehensive platform for managing Special Education, Section 504, Multi-Tiered Systems of Support (MTSS), Emergent Bilingual (EB), and LPAC processes. The system helps campuses and departments maintain required student documentation, monitor compliance timelines, manage interventions, evaluations and services, and generate required state and federal reports. By centralizing these processes in one platform, Frontline eStar improves efficiency, reduces paperwork, supports collaboration among staff, and provides real-time access to student information. The system also facilitates parent communication through translated forms, supports intervention tracking through the MTSS process, and assists educators in making informed decisions to better support student success.

Historical Data: South San Antonio ISD has utilized Frontline eStar as its primary platform for managing Special Education, Section 504, MTSS, Emergent Bilingual, and LPAC services for approximately nine years. During that time, the system has provided a reliable and efficient method for maintaining compliance, managing student records, tracking interventions and services, and supporting district and campus staff in meeting state and federal requirements.

Recommendation: Approve the purchase of Frontline services for the 2026–2027 academic year to continue supporting documentation and compliance needs for our specialized programs.
