Health Care Occupation Programs
Policy Series: 4000 Curriculum, Instruction and Assessment
Policy No. 4411

10 **Purpose:**

11
12
13 **Notice of Clinical Experience Component**

14 Prior to a student registering in a health care occupation program offered by or through the
15 District that includes a clinical experience segment, the student's parent or guardian shall be
16 provided written notice that the program includes a clinical experience segment in which the
17 student may observe and perform specific health care procedures, including personal care,
18 patient bathing, and bathroom assistance.

19 The District shall also provide similar written notice to the student's parent or guardian before
20 the student participates in the clinical experience segment.

21
22 **Written Consent for Student Participation**

23 Before a student may register for or participate in a health care occupation program that
24 includes a clinical experience segment, the student's parent or guardian shall provide specific
25 written consent authorizing the student's registration and participation in the clinical experience
26 segment.

27 The written consent shall specifically state that the student may observe and perform specific
28 health care procedures, including personal care, patient bathing, and bathroom assistance.
