Annual Notice of Academic Standards for the 2026-27 School Year Waterford Union High School

2015 Wisconsin Act 55, as part of the 2015-17 Biennial State Budget, state law requires the district to provide parents and guardians of all enrolled students with notice of the academic standards in mathematics, science, reading and writing, geography, and history that have been adopted by the school board and that will be in effect during each school year. Accordingly, the District academic standards that will be in effect for these specific content areas for this school year are listed below. Electronic links to the detailed version of the applicable standards are provided when available or by visiting the Wisconsin Department of Public Instruction academic standards website at <https://dpi.wi.gov/standards>. To the extent a parent or guardian would like to review a copy of any of the standards in an alternative format, please contact the principal's office. To the extent a parent or guardian would like to review a copy of course specific curriculum, please contact the principal's office.

Content Area	Waterford Union High School District Academic Standards
English Language	Waterford Union High School English Language courses provide curriculum aligned to the ACT College & Career Readiness Standards .
Mathematics	Waterford Union High School mathematics courses provide curriculum aligned to the Wisconsin Academic Standards (WAS) .
Reading	Waterford Union High School Reading courses provide curriculum aligned to the ACT College & Career Readiness Standards .
Science	Waterford Union High School science courses provide curriculum aligned to the Next Generation Science Standards (NGSS) .
