Re: Superintendents Board Report

Bond/HHS Construction Updates

- The sell of the bonds is now complete and the district has received the funds.
- We have had several meetings with Design West in the last three weeks to help shape their efforts in putting the designs together.
- We will be going to bid on some of the projects within the next two months.
- Now that the funds have been captured and we are close to the bidding process the work will begin picking up steam soon.
