

Director of Special Education Board Report

July 2026

Here is a list of items that are being done, or have been completed, this summer in the Special Education Department.

- Processing transfer requests for incoming and outgoing students
- Writing and submitting the IDEA Consolidated Grant for FY 27- this covers both the IDEA FT and IDEA PreK grants
- Reviewing all student records for students with IEPs in our electronic database to ensure all information is correct for the upcoming school year
- Assigning caseloads for case managers
- Creating a Special Education handbook
- Putting in our requests for private facility reimbursements
- GATA and expenditure reports for current grants
- Indicator 14 collection and reporting- tracking students who exited our district with an IEP 2 years ago to check their progress post high school
- Assigning students to classrooms
- Start the IEP/Eval Planning process for 26-27
- Reorganizing special education files from active to inactive, and removal of files as dictated by state rules
