Dr. Bashara,

Alamo Heights ISD board policy [GKD\(LOCAL\)](#) states that, "Board approval shall be required for nonschool use of District facilities extending beyond six months."

The Youth Orchestras of San Antonio (YOSA), which serves a number of our Alamo Heights ISD students as well as other San Antonio area high school students , has requested to use district facilities for practice during this school year from August 2026 through May 2027 on Sundays for rehearsal. The Board of Trustees approved a similar request for 2025-26. The amount collected from YOSA for rentals in 2025-26 was \$ 36,700.00.

We request that the Board of Trustees consider approval of this rental of more than six months by YOSA.

Sincerely,

A handwritten signature in black ink that reads "Frank E. Alfaro". The signature is written in a cursive, flowing style.
