**INFORMATION ITEM**

**TO:** Members of the Board of Education, Dr. Scott Dearman, Superintendent

**FROM:** Jennifer Wilke, Assistant Principal  
Dunlap Middle School

Brian Bishop, Assistant Principal  
Dunlap Valley Middle School

**SUBJECT:** Establishing IESA Co-op Boys and Girls Wrestling Teams

**PROPOSED ACTION:**

That the Board of Education approve the establishment of IESA Co-op Boys and Girls Wrestling teams for the 2026-2027 school year.

**BACKGROUND INFORMATION:**

In 2025-2026 an Intramural Program was established as part of the CBA with the DEA with the understanding that, if successful, it would become IESA boys and girls teams in 2026-2027. Having completed a successful intramural program we would like to enter into IESA competition for the 2026-2027 school year. The DEA's CBA provides for the coaching stipend within the current language of the agreement.
