Mr. Samuel Mijares
Superintendent of Schools
Eagle Pass Independent School District

Dear Mr. Mijares,

As a follow-up to our recent conversations regarding the potential donation of two (2) portable buildings to the Eagle Pass Police Department, I would like to express my sincere appreciation for your assistance and support throughout this process.

Thank you for putting us in contact with Mr. Pedro Felan, who was extremely helpful in showing us the portable buildings currently available at the EPISD Maintenance Facility located on South Veterans Boulevard. Mr. Felan also directed us to the Early Childhood Center (ECC) on Kelso Drive to inspect two (2) portable buildings located at the rear of the campus near the student drop-off area.

After evaluating the available structures, we believe the two (2) portable buildings located at the Early Childhood Center are in the best condition and would best meet the needs of our department. These buildings would allow the Eagle Pass Police Department to place them into service more quickly with only minimal retrofitting and modifications necessary for law enforcement operations.

Therefore, it is with this letter that the Eagle Pass Police Department formally requests the donation of the two (2) portable buildings located at the rear of the Early Childhood Center campus nearest the drop-off area.

We respectfully submit this request for your consideration and hope it meets with your approval, as well as the approval of the Eagle Pass Independent School District Board of Trustees. The donation of these buildings would greatly assist our department in addressing current operational and space needs while continuing to provide quality services to the citizens of Eagle Pass.

Thank you for your time, consideration, and continued support of the Eagle Pass Police Department. Should you require any additional information, please do not hesitate to contact me.

Respectfully,
