Background Information

Ehlers and Associates, Inc., prepared the following set of documents concerning the School District's November 3, 2026, special election.

1. The cover letter contains a detailed overview of the documents prepared and includes a **timeline** of key dates in the election process.
2. Because the School District's special election is being held in conjunction with the **State General Election**, the precincts and polling places for this special election are those polling places and precincts within the boundaries of the School District which have been established by the cities or towns located in whole or in part within the School District. The School District's combined polling place(s) will not be used for this election.
3. **Pages 6-13** of the election packet is the **Resolution Calling the Special Election**, including the proposed form of the ballot. The School Board will need to adopt this resolution.
4. **Pages 15-16** of the election packet consists of the **Notice of Special Election**.

Recommendation

I move to approve the resolution calling the Special Election as presented.
