Re: Written Request for Cameras

In order to promote student safety, a receipt of an authorized written request, shall be provided requesting cameras be placed in the classrooms. Upon receipt of that request the district shall provide equipment, including a video camera, to the campus in the district specified in the request.

It is recommended to submit an authorized written request in accordance with TEC 29.022 to the “*designated administrator under Subsection (a-2)*”*. That equipment, including a video camera, shall be placed, operated and maintained in the following specified schools or campuses at which one or more children receive special education service in special education classrooms or other special education settings: **all Life Skills classrooms (Early Childhood-18+ Classrooms).**

The designated administrator must then provide a copy of the request to the principal or the principal's designee of the campus/es addressed in the request.

***NOTE: “Each district shall designate an administrator at the primary administrative office of the district with responsibility for coordinating the provision of equipment to schools and campuses. Education Code 29.022(a-2)”**
