

**LJSD Board of Trustees**  
**Transportation Report - April 15, 2026**

**Transportation Updates:**

- At the request of Betty Kiefer Elementary, we collaborated on a new bus loop process for the school. After several test runs and extensive communication with staff and families, the new loop is up and running at the school.
- We have completed interviews for the vacant Admin Assistant position and hope to have someone on board by the end of the month.
- We have completed our final major training of this school year. Our drivers are practicing for the upcoming Bus Rodeo in May.
- We completed the final State student ridership count and the State Stop Arm Tally.
