RE: SY 2026-27 Wisconsin School Nutrition Purchasing Cooperative Agreement

Membership in the Wisconsin School Nutrition Purchasing Cooperative (WiSNP) has been advantageous to the district for many years. Advantages to membership include:

- Reducing the respective costs in purchasing food, beverages, and supplies.
- Providing educational opportunities to Director of School Nutrition and staff with regard to ongoing Child Nutrition Program challenges and regulations.
- Making the most efficient use of power by enabling different district's food service authorities to cooperate with each other on a basis of mutual advantage.
- Procurement responsibilities that would normally be the responsibility of the district Director of School Nutrition

I recommend entering into this agreement for the upcoming school year 26-27.
