Determination of NAFIS Dues for the 2026-2027 Membership Year

Section 7003 dues based on FY 2025 Impact Aid payment
Section 7002 dues based on FY 2025 Impact Aid payment

NAFIS membership dues are based upon a calculation that multiplies a school district's final Impact Aid payment (Basic Support; Disability; Federal Property) for the most recent fiscal year possible by 0.0014, or are \$350.00, whichever is greater.

Example:

- Total Impact Aid Payment: \$1,000,000.00
- Dues Payment: $\$1,000,000.00 \times 0.0014 = \$1,400.00$

For any amount a school district receives exceeding \$7 million, the dues for receipts above \$7 million are calculated at one-hundredth of one percent (0.0001 of 1%).

Example:

- Total Impact Aid Payment: \$10,000,000.00
- Step 1 - $\$7,000,000.00 \times 0.0014 = \$9,800.00$
- Step 2 - $\$3,000,000.00 \times 0.0001 = \$ 300.00$
- Total Amount of dues \$10,100.00

Districts in equalized states will have only those Impact Aid funds exempt from state equalization included in the dues calculation. *Note: for the 2026-2027 membership year, applies only to Alaska*
