Re: Athletic Director Report January, 2018

We are back and into the swing of things. 2018 is under way and we are heading into the most exciting part of winter sports schedules.... SRV Conference Play! Looking forward to seeing how our teams do this winter season!

Girls Basketball-

The girls' varsity has had its ups and downs. Their current record is 6-6. The girls are currently 2-0 in conference play and won the Nampa Christmas tournament for the first time in program history, defeating 4A Skyview for the title. Looking forward to finishing the season strong.

Boys basketball-

The varsity boys are continuing to get better every game. They beat Vale right before christmas break. Their current record is 4-6. They are young but I am excited to see them in action once league play starts.

Wrestling-

Wrestlers have competed in three different tourneys'. Coach Levinski has been working his kids really hard and preparing them in the right way. I am truly excited to see what the future holds for our wrestling team. Coach Levinski has a lot of passion for the sport of wrestling and it shows. His athletes respond well to his tactics. The Rollie Lane tourney is coming up this weekend at the Idaho Center.
