From: Sandra Rivas
Title: Finance Director/District Clerk

Subject: Declare Property as Surplus

Justification: Request to have the attached list of items surplus.

1. The Middle School has requested permission for the disposal of the attached two couches removed from classrooms. The recommendation is to trash them.
2. The attached technology items have been identified as surplus to the district, but we would like permission to sell them on eBay for a broader audience.

These items are no longer useful to the district; therefore, the Board of Trustees may declare them surplus property and dispose of them in accordance with state regulations. Following Board approval to surplus, these items will be advertised in the local paper for two weeks, on the district's website, and on the District's Facebook page. Bids received will be brought before the school board at the board meeting following the two weeks.
