Background:

Due to increased enrollment in the Adaptive Cluster programs, we are requesting the following new staffing effective for the 2026-2027 school year:

Two Adaptive Cluster Teachers
One Intervention Specialist

The reclassifications of these programs is cost neutral, as we work to provide appropriate support in the Adaptive Cluster Programs.

In addition, we are requesting the following new staffing for the 2026-2027 school year:

Marana Middle School:
One Secretary I

Tangerine Farms K-8 School:
0.25 FTE Literacy Aide
One Special Education Aide SLD
0.1 FTE Speech Language Pathologist

Marana Vista Academy:
0.17 FTE Elective to support online dual enrollment and credit recovery

In addition, we have reduced one full time PE teacher between Butterfield Elementary School and Twin Peaks K-8 School. These positions are being funded by M&O. The net cost, with employee related benefits, is \$32,571.30.
