On Behalf of Durand Education Foundation, I am requesting that the Durand Area Schools Board of Education consider a resolution to accept the following items that have been purchased and funded, or partially funded, by Durand Education Foundation (DEF).

1. Dr. Dish, a basketball shooting/rebounding machine for the high school boys and girls basketball programs. The unit was purchased in June 2025 for \$3,882 with DEF contributing \$1,941 toward the machine.
2. XTool F2 Engraver for K-5 STEM education. The machine, purchased in December 2025, provides an opportunity for students to create their own prototype designs and produce custom items such as keychains, tags, puzzles, etc. Cost of the machine was \$2,364 and was fully funded by DEF.
3. TouchPros, Wall Screen package for Durand High School, a project that was funded for \$18,425.50 in December 2025. The package includes the 65" wall screen, installation, content management system, 10 yr cloud support, some data entry and a five year warranty. Durand Education Foundation has also committed to cover the expenses for basic electrical work required for installation and the custom Railroader wall wrap, costs of which are yet to be determined.
4. Two Bambu P2S 3d Printers, purchased in May 2026 for a total cost of \$1,598.00. The printers will be used for high school Personal Finance and Geometry classes. The printers were fully funded by DEF.

Durand Education Foundation requests that upon acceptance, the above items become the property of Durand Area Schools and that Durand Education Foundation assumes no rights or responsibilities for use or disposal of the grant-gifted items.

Sincerely,

Jan Harper, Chair

Durand Education Foundation
