

**DATE:** June 22, 2026

**TITLE:** Approve AHS Student Council Lock-in

**TYPE:** Action Items

**PRESENTER:** Todd Lechtenberg, Executive Director of Finance and Operations

**BACKGROUND:**

Austin High School Student Council is requesting approval to host a student leadership lock-in focused on building school culture and strengthening student engagement.

The event will begin at 12:00 p.m. on June 25 and conclude at 12:00 p.m. on June 26. Approximately 20–30 students are expected to participate.

The event will be supervised by the following staff members:

- Emily Hovland, Katie Carter, and Matt Schmidt

Students will utilize the following areas throughout the event:

- Packer Profile Room, IMC (Library Media Center), Auditorium, and students will sleep in the library overnight.

To ensure student safety and security, participants will not be permitted to access other areas of the building without direct staff supervision. Supervising staff will remain on-site throughout the event and will be responsible for monitoring student activities, attendance, and adherence to school expectations.

The purpose of the lock-in is to provide Student Council members with opportunities for team building, leadership development, and planning activities that support a positive school culture at Austin High School.

**RATIONALE:**

After reviewing our insurance policy and discussing it with our agent, it was determined that a lock-in must be board-approved to have insurance coverage.

**RECOMMENDATION:**

It is recommended that approval be given for the AHS Student Council to host a lock-in on June 25 and 26.
