

**RESOLUTION OF  
THE SPRING BRANCH INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES  
CONFIRMING THE BOARD’S COMMITMENT TO FLEXIBILITY AND CHOICE IN  
PROGRAMMING OPTIONS**

WHEREAS, the Board of Trustees of the Spring Branch Independent School District (the Board) is committed to improving student outcomes and expanding access to meaningful academic and programmatic opportunities; and

WHEREAS, the Board recognizes that students and families benefit from access to a range of programs that reflect their interests, goals, and needs; and

WHEREAS, the Board acknowledges that campuses within the District serve distinct student populations and that flexibility supports stronger alignment to those needs; and

WHEREAS, the Board recognizes that responsible stewardship of District resources requires thoughtful alignment of programming, scheduling, staffing, and student demand in order to maximize efficiency and long-term sustainability; and

WHEREAS, the Board further recognizes that providing diverse and responsive programming supports the District’s ability to attract and retain students and families in an increasingly competitive educational environment; and

WHEREAS, the Board affirms its role in establishing policy and providing direction, while recognizing that operational decisions are implemented by District Administration;

NOW, THEREFORE, BE IT RESOLVED THAT:

The Board affirms its commitment to flexible choice programming options across District campuses in order to expand student access and opportunity;

The Board affirms that campus-level flexibility is an important component of meeting student needs and supporting programmatic access;

The Board affirms that programing may dictate flexible scheduling to meet the needs of students and remain agile in a competitive educational environment;

The Board affirms that aligning programming to student demand supports both strong student outcomes and responsible use of District resources;

The Board affirms the District Administration’s need for authority to develop and implement programs and related operational procedures necessary to compete in a competitive educational environment including setting campus schedules and, accordingly, rescinds that portion of the Board’s November 6, 2023, Resolution directing alignment of high school schedules; and

The Board affirms that it will continue to review outcomes to ensure that District programming aligns with student needs and supports strong academic results.

RESOLVED on this \_\_\_ day of \_\_\_\_\_, 2026.
