**Re:** Board Report

---

The end of February was very exciting for our boys' basketball teams. Our 7<sup>th</sup> grade team went into the tournament as the 5<sup>th</sup> seed. They won their game the first night and fought hard but ended up losing the second night to Fruitland. Our 8<sup>th</sup> grade boys' team went into the tournament as the number 2 seed. They represented Homedale well in the championship game, but came up short to Fruitland.

We will be starting track season on the 28<sup>th</sup> of March. We had an interest meeting last Thursday. I am very excited for the amount of students that have been talking to me and others about coming out for track this year. I thought last year went very well with the changes that had been made. I hope we can only improve our numbers and students abilities as we move in to the future.
