5801 Closed Campus

The school campus is a closed campus. All students must remain on campus during school hours. The building principal or designee will release a student only after confirming with an authorized adult that the student has permission to leave campus. Students who leave campus without authorization are subject to disciplinary action. Nothing in this Policy prevents the school from sending a student home when the student is ill or for disciplinary purposes.

5802 Student Transportation

The District may provide student transportation to and from school.

If the District provides student transportation to and from a school, the District is not required to transport or pay for transportation for a student who lives within 1.5 miles of the student's school by the nearest traveled route.

The District may establish and require students to use bus stops. The District is not responsible for supervising students at bus stops, before the bus picks the student up for school, or after the student disembarks at the end of the student's school day.

A student's failure to comply with Board Policy, applicable codes of conduct, and any other applicable rules or behavioral expectations while using District-provided transportation, including while at a designated bus stop, may result in disciplinary action and exclusion from District-provided transportation.

A student does not have a right to District-provided transportation. Nothing in this Policy, however, diminishes any right a student with a disability may have under state or federal law.

5805 Student Audio and Video Recording

This Policy governs student audio and video recordings.

For purposes of this Policy, "recording" or "recordings" includes still photographs, video, audio, and other similar data captured in any medium.

A. Permitted Recordings by Students

A student may make recordings of instructional activities if recording is necessary to accommodate the student's disability pursuant to the student's Individualized Education Program or Section 504 Plan. Students may also make recordings of instructional activities if expressly permitted by the building principal or classroom teacher.

Recordings of instructional activities permitted under this Policy may only be used by students for personal academic purposes and may not be shared or disseminated without written consent from the building principal or designee.

A student may record school-sponsored activities and athletic events as a spectator if the recording is made in a manner permitted by the District for the public. For example, students may record athletic events for their personal use in a manner similar to parents/guardians or other spectators, but students remain subject to the District's acceptable use and student discipline policies.

Any student recording must comply with applicable state and federal laws, codes of conduct, and Board Policy.

No recordings may be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

B. District Recordings

Nothing in this Policy limits the District's ability to make recordings as otherwise permitted by state and federal law or Board Policy.

5807 Flag Display and Pledge of Allegiance

The District will display the United States of America flag on a flagstaff in a conspicuous location at each school. The District will also display the United States of America flag in each classroom or other instructional site where students recite the Pledge of Allegiance.

Each building principal or designee is responsible for the care and display of the flags.

The building principal or designee will provide students with an opportunity to recite the Pledge of Allegiance each school day. Student participation in the Pledge of Allegiance is voluntary. Students may not be disciplined or penalized for reciting or not reciting the Pledge of Allegiance. The building principal or designee will ensure students are not bullied for reciting or not reciting the Pledge of Allegiance.
