

## **HLWW Teacher Feedback**

*Calendar 2022-23*

- The responses that one thing in common...ending school on June 2.
  
- Most of the responses mentioned that moving spring break to the week of April 3rd made logical sense. Moving spring break also divides up a very long stretch from March through June. We could even take part of both weeks before and after Easter, say the 6th through the 12th.
  
- Some liked the idea of having school on either the 23rd of Nov. or the 23rd of Dec., but mentioned that those days are nice for people that will be traveling.
  
- Would also like to see the late start currently scheduled for Nov 9th be moved either to the week of Nov. 14th or one of the full weeks in Dec.
