There shall be two (2) signed copies of the final contract for the purpose of record, one retained by the Board, one by the Association.

ARTICLE III
STATUTORY RESPONSIBILITIES AND OBLIGATIONS OF THE SCHOOL BOARD

Section 1. All principals covered by this Agreement shall perform the professional services prescribed by the School Board and shall be governed by the laws of the State of Minnesota, and by properly designated officials of the School District. The School Board and its properly designated representatives have the obligation and duty to promulgate rules, regulations, directives, and orders from time to time as deemed necessary by the School Board insofar as such rules, regulations, directives, and orders are not inconsistent with the terms of this Agreement.

Section 2. All principals covered by this Agreement, the School Board, and all provisions of this Agreement are subject to the laws of the State of Minnesota, Federal laws, Rules and Regulations of the State Board of Education, and valid rules, regulations, and orders of State and Federal governmental agencies. Any provisions of this Agreement herein found to be in violation of any such laws, rules, regulations or orders shall be null and void and without force and effect.

Section 3. The School Board agrees not to meet and negotiate with any organization other than the Burnsville Principals Association as long as that organization is the exclusive representative of the principals of Independent School District 191.

Section 4. It is further understood that the foregoing enumeration of the School Board's responsibilities and obligations is not exclusive and the School Board expressly reserves all its statutory authority not expressly delegated in the Agreement.

ARTICLE IV PRINCIPALS RIGHTS

Section 1. Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any principal or his/her representative to the expression or communication of view, grievance, complaint or opinion on any matter related to the conditions of compensation of public employment or circumvent the rights of the Association, nor shall it be construed to require any principal to perform labor or services against his/her will.

Section 2. Principals shall have the right to form and join employee organizations, and shall have the right not to form and join such organizations. Principals in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment with the School Board.

Section 3. It shall be the responsibility of the Principals' Association to request such meetings and provide a proposed agenda.

Section 4. Any principal who is a member of the Association, or who has applied for membership, may sign and deliver to the Human Resources Office an assignment authorizing deduction of membership dues in the Association. Pursuant to such authorization, the Board shall deduct dues from each regular salary check of the principal ending in June.

The premium costs for the employee shall be the responsibility of the employee by monthly prepayment to the District.

Section 3. Long Term Disability: The School District will contribute forty percent (40%) of the premium for a long term disability policy. Disability pay and eligibility will be governed by the policy in effect. If the principal requests it, the District will pay to those participants who have accumulated over thirty (30) days of sick leave the remaining fraction of regular income with one-third (1/3) days subtracted from the total number of remaining sick leave days until a maximum of seventy-five (75) days of unused sick leave has been used or the principal requests such payment to be discontinued.

governed by the terms of the insurance policy purchased by the School District pursuant to this Article. It is further understood that the School District's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein and no claim shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

Section 6. Continuation of Benefits

Subd. 1. Retirement. Upon retiring from the District with at least ten (10) years of full-time service in the District, an employee who is at least fifty-five (55) years of age may continue to participate in the group health insurance plan and group dental insurance plan that the District makes available to active employees of the District during that period of time. For any employee hired after January 1, 2011, the District will not contribute toward the employee's health insurance premium after the employee retires. For employees hired before January 1, 2011, the amount and duration of the District's contribution toward the employee's health insurance premium after retirement will be as follows:

- A. If the employee's years of service in the District plus the employee's years of service as a principal in the District are greater than sixty (60), then for a period of nine (9) years, or until the employee is eligible for Medicare, whichever occurs first, the District will contribute the same dollar amount toward the monthly premium for dependent or single coverage that the District contributed on behalf of the employee for the month immediately before the employee retired.
- B. If the employee's years of service in the District plus the employee's years of service as a principal in the District are greater than forty (40), then for a period of eight (8) years, or until the employee is eligible for Medicare, whichever occurs first, the District will contribute the same dollar amount toward the monthly premium for dependent or single coverage that it contributed on behalf of the employee for the month immediately before the employee retired.
- C. If the employee's years of service in the District plus the employee's years of service as a principal in the District are greater than thirty (30), then for a period of seven (7) years, or until the employee is eligible for Medicare, whichever occurs first, the District will contribute toward the monthly premium for dependent or single coverage in a dollar amount that is equal to fifty percent of the dollar amount it contributed on behalf of the employee for the month immediately before the employee retired.
- D. If the employee's years of service in the District plus the employee's years of service as a principal in the District are thirty (30) or less, then the District will not contribute any amount toward the monthly premium for single or dependent coverage.
- E. In the event of the death of a retired principal with dependent coverage, the percentage of contribution for health and dental coverage will continue for eligible dependents until the date coverage would have ended for the retired principal.

For example an administrator who works as a principal in the District for ten years would have 10 years of district service and 10 years as a principal for a total of 20 years. A principal who works 5 years as a teacher and then 25 years as a principal would have 30 years of District service plus 25 years as a principal for a total of 55.

- b) A request made at least eighteen (18) hours in advance will automatically be granted.
- c) A retroactive request shall be ruled upon by the Executive Director of Human Resources or Superintendent designate. Such request should state the reason for absence. The decision of the Executive Director of Human Resources or Superintendent designate in such cases is final.

Subd. 3. Limitations: At the beginning of each school year, each principal shall be credited with two (2) days, cumulative to three (3) days. Leave will be pro-rated when principals work less than a full year.

Section 6. Sick Leave

Subd. 1. Each principal in this District will be granted eighteen (18) days annual sick time at the beginning of each contract year. Unused sick time days may accumulate to three hundred (300) days. In the event the illness or injury necessitates absence beyond thirty (30) consecutive days, income protection insurance will ensue in accordance with the existing policy. When a principal works less than a full year, personal illness absence will be pro-rated from the point in time a principal is eligible for LTD benefits. Excess days, if any, will be available upon return.

Subd. 2. Employees can use their earned sick time for the employee's mental or physical illness, treatment or preventive care; a family member's mental or physical illness, treatment or preventive care; absence due to domestic abuse, sexual assault or stalking of the employee or a family member; closure of the employee's workplace due to weather or public emergency or closure of a family member's school or care

facility due to weather or public emergency; and when determined by a health authority or health care professional that the employee or a family member is at risk of infecting others with a communicable disease.

Subd. 3. Family members are defined as their child, including foster child, adult child, legal ward, child for whom the employee is legal guardian or child to whom the employee stands or stood in loco parentis (in place of a parent); their spouse or registered domestic partner; their sibling, stepsibling or foster sibling; their biological, adoptive or foster parent, stepparent or a person who stood in loco parentis (in place of a parent) when the employee was a minor child; their grandchild, foster grandchild or step-grandchild; their grandparent or step-grandparent; a child of a sibling of the employee; a sibling of the parents of the employee; a child-in-law or sibling-in-law; any of the family members listed above of an employee's spouse or registered domestic partner; any other individual related by blood or whose close association with the employee is the equivalent of a family relationship; and up to one individual annually designated by the employee.

Subd. 4. The total number of sick time accrued and available for use, as well as the total number of earned sick hours used shall be available to employees via the current online payroll system, i.e. Skyward.

Section 7. Worker's Compensation: Any employee who is absent because of injury, who deserves compensation under Minnesota Worker's Compensation Act, shall receive from the Board the difference between the allowance under the Act and his/her regular salary for a period of time that funds from his/her accumulated sick absences will provide on a prorated basis, or until he/she is eligible for long term disability.

Section 8. Bereavement Absence: An employee may take up to five (5) days of paid bereavement leave per event for any death(s) that occurs in the employee's family. For purposes of this Agreement, family includes a spouse, children, parents, siblings, grandparents, grandchildren, aunts, uncles, nieces, nephews or the equivalent. The Superintendent may, in their sole discretion, grant up to ten (10) additional days of bereavement leave per school year for reasons such as multiple deaths in the immediate family, out-of-state funerals or other extenuating circumstances.

Section 9. Professional Absence: Principals may be allowed to attend professional meetings and other activities of a professional nature with full pay.

Wherein principals attend meetings on behalf of the school and upon the instruction of central administration, expenses shall be paid by the school. Such authorization should be obtained ahead of time.

Wherein principals attend meetings, or visitations, etc., of a professional nature at the expense of the School District, a written report suitable for publication, or distribution among the professional staff, is expected so that all may benefit by the professional experience.

Section 10. Maternity Absence

Subd. 1. The start of a physical disability absence for childbirth shall be determined by the principal's physician. The end of a physical disability absence for childbirth shall be determined by the principal's physician, estimated at the time of the child's birth.

Subd. 2. To access paid personal illness days and, if necessary, long-term disability insurance, the principal must provide the above information to Human Resources no later than the start of the certified disability (usually the birth of the child). Estimated start-end times are always open to modification by the physician.

Subd. 3. The principal is responsible for ensuring adequate preparation for substitute coverage in her absence (barring an emergency); i.e. enough time to find a long-term substitute, discuss transition, and provide communication to parents.

Subd. 4. A principal on maternity absence shall continue to receive all benefits while absent and shall receive sick pay to the limit accumulated by the principal, but not to exceed thirty (30) days. In the event a principal is medically disabled due to pregnancy, delivery or recovery for more than 30 days and is eligible to receive long term disability benefits, she may supplement LTD pay with accrued sick leave as per Article VI, Section 3, Long-Term Disability.

Section 11. Parental Leave

Subd. 1. Parental leave of absence shall be available to principals for the purpose of caring for a child for which the applicant has the legal responsibility for the care and/or support of said child. Such leave to be subsequent to birth of the principal's child, or in the case of adoption, when the child is physically turned over to the principal/parent. Only one (1) parent is eligible for parental leave for each pregnancy.

Subd. 2.

- a) At least two (2) calendar months prior to the estimated delivery date of the child, the employee shall be required to notify the employer in writing whether or not the employee intends to take parental leave. This election may be changed at any time before the end of maternity absence.
- b) Upon filing an application for adoption of a child, the employee shall be required to notify the employer, in writing, of the principal's intention to take a parental leave. Such notice is to include the estimated date when such leave shall become effective.

Subd. 3. In connection with election to take parental leave, the principal shall submit a request for such leave in writing. Such request shall include an estimated commencement date and a return date. The estimated commencement date shall be the day following the physician's estimated date of cessation of disability, or, in the case of an adoption, the estimated date when the child will be turned over to the parent. The return date must coincide with a quarter or semester break.

Subd. 4. The actual commencement date of parental leave shall be the return date from maternity absence, or in the case of an adoption, the date when the child is physically turned over to the principal/parent.

Subd. 5. If a principal complies with all the provisions of this Section, parental leave shall be granted by the employer. The employer shall notify the principal in writing of its action.

Subd. 6. By mutual agreement, the length of the parental leave may be altered.

Subd. 7. A principal returning from parental leave shall be reemployed in the principal's former position if available. If that position is not available, then to a position for which the principal is qualified.

Subd. 8. The principal must return on the return date stated in Subd. 3 unless the principal requests another return date within ninety (90) days of the commencement of the parental leave.

Subd. 9. A principal returning from parental leave will be placed on the next higher step on the salary schedule when the parental leave commences provided the principal has served three-fourths (3/4) year in that school year. A principal serving less than three-fourths (3/4) year will return at the same step that the principal was on when the leave commenced. A principal returning to employment after a parental leave will be credited with the amount of sick absence accumulated at the commencement of the leave.

Subd. 10. A principal on parental leave is eligible to participate in group insurance programs if permitted under the insurance policy provision, but shall pay the entire premium for such programs as the principal wishes to retain at the beginning of the parental leave. The right to continue participation in such group insurance programs, however, will terminate if the principal does not return to the District pursuant to this Section, except as provided by law.

Subd. 11. A parental leave of absence granted under this Section shall be a leave without pay.

Subd. 12. At the principal's request, a parental leave may commence at a date preceding childbirth. In such cases, principals shall not be eligible for sick absence benefits as established by the Section on Maternity Absence.

Subd. 13. Once parental leave commences, maternity absence is forfeited for that particular pregnancy.

Section 12. Sick Leave Credit. If an employee is enrolled in the district's group insurance plan and has at least five (5) sick days available from the previous fiscal year, at the beginning of each fiscal year, five (5) sick days will be converted to the equivalent of five (5) days of the employee's daily rate of pay and contributed into the employee's HRA account.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered into between Independent School District 191 (hereinafter referred to as the School District) and The Burnsville Principal Association (hereinafter referred to as the Union), representing the Principals of the School District as follows:

1. The parties have entered into a collective bargaining agreement covering the period July 1, 2023 through June 30, 2025.
2. The Union and the School District agree the service provided by "Amplify" is an independent option for certain healthcare services separate from the District's medical insurance plan. This service provides no aggregate value to the medical insurance coverage provided to district employees. The "Amplify" service was added to provide employee choice for care as an independent option to the medical insurance coverage and is completely dependent on "Amplify" being able to provide their services to district employees. This service is unrelated to the District's medical insurance plan.
3. The School District may end its relationship with "Amplify" at any time and it is understood that the termination of that relationship does not impact the aggregate value of the District's medical plan or negotiated employee benefits.

This MEMORANDUM OF UNDERSTANDING shall be in full force and effect from the period of execution of this document through June 30, 2025.

MEMORANDUM OF UNDERSTANDING
Minnesota Paid Family Medical Leave (PFML)

This Memorandum of Understanding is entered into between Independent School District 191 (hereinafter referred to as the School District) and The Burnsville Principal Association (hereinafter referred to as the Union), representing the Principals of the School District as follows:

1. The parties have entered into a collective bargaining agreement covering the period July 1, 2025 through June 30, 2027.
2. The Minnesota Paid Leave Law (Minnesota Statutes Chapter 268B) creates a statewide Family and Medical Leave insurance program, scheduled to become effective on January 1, 2026. The Employees represented by the Union are covered under this new statute. Given that the Statute may undergo multiple revisions during its implementation, this agreement provides language that allows all parties to plan and rely on specific details. The core understanding of this document is that it shall not restrict any mandated employee benefit required by the statute. PFML benefits are defined as monetary payments associated with qualifying events such as bonding, family care, medical care related to pregnancy, serious health conditions, qualifying exigency, or safety leave.
3. **Premium Contribution**
 - a. The District and the Union agree that the Employer shall contribute 50% of the premiums to the State, and the employee shall pay the remaining 50% of the premium through wage deduction.
4. **Non-Supplementation of State Benefits**
 - a. The Union acknowledges that the District has determined it will not designate paid accrued leave (such as sick leave, personal time, or vacation pay) as a supplemental benefit payment.
 - b. A "Supplemental benefit payment" is defined in the statute as a payment made by an employer, such as salary continuation or paid time off, which is given in addition to any PFML benefits the employee receives under Chapter 268B.
 - c. An employee retains the ability to use accrued paid time off (like vacation pay or sick leave) in lieu of receiving the state PFML program benefits, provided the employee is concurrently eligible for the leave.
5. **Increments for Intermittent Leave**
 - a. The minimum increment of intermittent leave permitted by this agreement is one calendar day. A "calendar day" refers to a fixed 24-hour period.
6. **Relationship to Federal FMLA**
 - a. Leave required by the federal Family and Medical Leave Act (FMLA) will, as permitted by law, run concurrently with the new state benefit.

This MEMORANDUM OF UNDERSTANDING shall be in full force and effect from the period of execution of this document through June 30, 2027.
